Comments: Various queries arising out of the original application form were discussed and addressed by the Councillors and Mr Ingram, Mr Harris and Mr Jackson. It was accepted by the Football Club that a Planning Application would have to be made for the stand. The Football Club is not registered for VAT and did not consider it viable to do so for this particular project. Those present discussed the VAT position and administration of the work and grant funding.

Resolved: The Parish Clerk will work with Mr Paul Ingram (Chairman) and Mr David Price (Secretary) of the Football Club regarding administration of funding, as this will enable the Parish Council to reclaim VAT on the works. The Football Club will deal with administration of the work itself. The Parish Council will make the appropriate application for planning permission once the layout and design of the stand has been agreed with the Playing Fields Association and the Parish Council. All Councillors present agreed to proceed with the Grant Application. The Chair, the Clerk and the Chairman of the Football Club signed all relevant forms. The Football Club Secretary will sign subsequently and submit the forms to the FSIF
