

Bartestree with Lugwardine Group Parish Council

BL Play Area Working Group (BLPAWG)

Bartestree Village Play Area (BVPA) & Frome Park Play Area (FPWG)

Meeting: 07-12-24 at 10:00

Present: Parish Councillors Wendy Soilleux.

Apologies: Cllrs. Fiona Harris, Siobhan Green

Report 3:

I carried out a 3-monthly check on both play areas and found no issues that needed attention apart from:

BVH Play Area:

The timber balance bar in the trim trail is worn and will need replacing.

FP Play Area: All equipment was in good condition.

The six cider apple trees will require pruning during the Winter months. Councillor Paul Hodges has generously offered to carry out this work.

No major problems have been reported by the weekly checker, Matt Hill.

The next 3-monthly check is due early in March 2025.

Wendy Soilleux
